Dear Mr Gazi,

Here below our answers :

- how many generators we have to provided for each plant?

*As explained in the meeting, results to achieve are given, quantity of generators will depend on manufacturer design.*

- How many silo do you need to fumigate and the same time?

*Ashuganj = 2 silos*

*Mymensingh = 1 silo*

*Madhupur = 1 silo*

- Where is the item in the BOQ to put these machines?

*Ashuganj = 3.1 Mechanical equipment / 1.2.5*

*Mymensingh = 3.1 Mechanical equipment / 1.2.5*

*Madhupur = 3.1 Mechanical equipment / 1.2.5*

Thank you,

Best regards

Renaud VAHE

**Subject:** MFSP: Package W3- Nitrogen System

Dear Mr. Gazi,

We received the Minuta of the pre-bidding meeting but there are not detailed information about the Nitrogen System.

The only description founded is this below:

8. Fully equipped ozone fumigation system including:
  - + Reinforced air tightness for fumigation
    - + Designed for 3 days draw time
    - + Generators (220V/380v - +/-10% - 50Hz)
    - + Complete network with:
      - Piping and accessories

Nozzles/spraying devices

Values/manometers

Sensors

Interface with silo

Filters

+ Governmental certification

Also it is not specified:

- how many generators we have to provided for each plant?
- How many silo do you need to fumigate and the same time?
- Where is the item in the BOQ to put these machines?

Regards,

**Paolo Guenzi**
